

Rowing Lake Traffic Flows

Legend

- Boat Club
- ▲ Buoys
- Direction of traffic flow
- - - Merging traffic, give way to oncoming boats and proceed with caution

Rowing Course

- Crews rowing towards the start line must travel outside the course on the western side.
- Crews on the course have right of way.
- Boats must travel from start to finish in lanes 3 - 6 only.
- Lanes 1 & 2 may be used in training:
 - ONLY when six or more boats are doing the same workload together.
 - ONLY when the workload is supervised by a coach in a following speedboat.
 - ONLY rowing towards the finish line.
